Are Robots the Future of Elder Care?
3 Minutes Thesis Competition

Miguel P Xochicale

March 26, 2018

Abstract

Three Minute Thesis (3MT) is a research communication competition in which doctoral researchers have just three minutes to deliver an engaging presentation on their thesis topic, its originality and its significance.

1. Did the presentation follow a clear and logical sequence?
   (yes/no/recommendations)

2. Did the oration make the audience want to know more?
   (yes/no/recommendations)

3. Did the presenter convey enthusiasm for their research?
   (yes/no/recommendations)

4. Did the image slide enhance the presentation - was it clear, legible, and concise?
   (yes/no/recommendations)

5. Did the speaker have sufficient stage presence, eye contact and vocal range; maintain a steady pace, and have a confident stance?
   (yes/no/recommendations)

6. Any general comment to improve the use of English language and the presentation?
